

Date: 30 April 2022

Further Easing of Safe Management Measures

With the lifting of most restrictions, worship services have reopened fully. We welcome everyone back to the house of the Lord as One Family.

Resumption of Coffee & Tea at Fellowship Hall

Self-serviced coffee & tea station will resume at the Fellowship Hall starting today. Please take this opportunity to re-connect with one another and fellowship over a cuppa!

Other Guidelines

1. Safe distancing will no longer be required
2. Vaccination-Differentiated service will be removed, unless service exceeds 500 attendees. This means our worship services are now open to everyone regardless of vaccination status.
3. No group size limits, no zoning, no capacity limits.
4. No TraceTogether/SafeEntry, unless event has more than 500 attendees
5. No restrictions on number of people involved in conducting worship services.
6. Masks are still required indoors.
7. Singing is allowed (with masks on)

Note of Caution

However, we encourage all members to remain watchful and not “throw caution to the wind”, as there could be reinstatement of more stringent measures should cases rise again.

Peace be with you,
Ps Andrew Ang
