Pastoral Reflection

The Founder is Alive!

The founder of a great movement (think Gandhi) usually becomes famous or significant AFTER his passing and when the movement has gained significance around the world. Painters too have the same distinction. Frequently the many (around the world) will only appreciate the works long after the founder is no longer living – simply because it takes time for a movement to become great, the meaning and works need to show the test of time.

Jesus Christ, our Founder, Author and Perfector of our faith has an incredible, supernatural history. He lived, died for a supreme cause, took His life up again (John 10:18) and now sits on the right hand of the Father in heaven. Jesus will come again and judge the world, the living and the dead!

Luke 24:38 reads, “Why are you troubled; and why do doubts arise in your hearts?” Jesus was well aware that showing up after His burial was not something His disciples were expecting, despite Jesus telling them ahead of time. Jesus was patient with His disciples and once again explained to them, and then He did something more: “Then He opened their minds to understand the Scriptures” (v. 45). The disciples were witnesses of these events, and they were given understanding by Jesus.

Likewise in John 20, Jesus had to personally meet up with disciple Thomas to change his testimony from “I will never believe” to “My Lord and my God!” when he became a witness to Jesus’ presence. Thus Jesus

declared, “Blessed are those who have not seen and yet have believed” (v. 29). Today, we fall into this category – we believe in Jesus’s resurrection, not because we have seen Him but in full faith!

What would it take for your life here in Singapore to change to reflect that Jesus is alive? Do you need a physical meeting and personal eye-witness account to believe? Let me say we belong to the blessed, those who have not seen and yet believed. In church, I can understand for some, believing in the resurrection is an obstacle. But they are few. Instead, many profess to “believe” but do not take it quite seriously and it’s almost an afterthought. What difference does it actually make, you may ask? I wouldn’t get theological here but let me get personal.

To be joyful and change your daily behavior, you must truly believe. Or else you will struggle with life here on earth and might end up living as a hypocrite. To live the abundant life, you must believe AND act to be the person God has made you to be. To make a difference in the Kingdom of God, you must settle the doubts in your heart and believe. Your personal life will be a mess or contradiction if you simply try to come to church, attend cell group and leave the resurrection as an afterthought. You will be losing out all that the Christian faith promises!

Don’t let the resurrection be an afterthought. The events of Revelation are unfolding even as we live our lives and listen to the words of Jesus in Rev 1:18 “I am the Living One, I was dead, and now look, I am alive for ever and ever!” Jesus will come in Glory (Matt 25:31) and judge both the living and the dead. Amen
